S. Timothy Buynak

Tim Buynak combines an extensive legal and business background to provide his clients with sound, yet innovative strategies to contribute to their success as a "trusted advisor". His clients include individuals, partnerships, corporations, limited liability companies, associations, foreign entities to non-profit organizations. Utilizing practical business and litigation experience, Mr. Buynak is able to analyze situations to provide efficient, economical resolutions or strategies consistent with a client's business or project objectives. His litigation background provides significant advan-

Michael S. Fauver

Michael Fauver is a founding principal of Buynak Law Firm, specializing in all aspects of business, corporate and employment law. In addition to assisting clients with general corporate counseling and formation issues, Mr. Fauver represents clients in employment matters, including harassment, discrimination, wage and hour laws, hiring and termination issues, employment contracts and employee handbooks. Mr. Fauver has extensive litigation experience, allowing him to strategize with his clients, and negotiate for them during all phases of representation.

Mindy A. Wolfe

Mindy Wolfe specializes in land use and real estate law. Ms. Wolfe's practice focuses on all matters related to the conveyance, development, leasing, management, ownership and title of residential and commercial real property, as well as the arbitration and mediation of controversies in these areas.

By knowing the regulatory process and needs of our local governmental bodies, she has been able to achieve great success for clients involving the development and improvement of their real

Lana J. Clark

With 25 years of legal experience in business, corporate and real estate transactions, estate planning and litigation, Lana's dedication, persistence and strategic organization are well known to her clients and throughout the legal community.

She is actively and thoroughly involved in numerous business, community, and legal organizations in Santa Barbara and her Santa Ynez community.

BUYNAK LAW FIRM

Buynak Law is Santa Barbara's leading business law firm — strategic and practical in approach, effective in results. We partner with our clients to realize their dreams and achieve success!

We listen; we learn and understand each client's needs and their business as well as the industry and community in which they are involved. We are available, returning client's calls and email daily, adhering to high client service protocols. All of which allows us to timely, creatively and proactively structure or solve complex business and individual legal matters through a dedicated legal team. We enjoy the practice of law; we are passionate about what we do for the benefit of our clients. Our attorneys are experienced professionals; they are as comfortable in negotiating transactions with complex business and tax terms as with litigating or implementing alternative dispute resolutions. Our staff regularly processes routine legal matters, such as entity formations and estate planning trusts, resulting in efficient and effective client service. Our firm's specialties include:

- | | | |
|--|-------------------------------------|------------------------------------|
| <i>Business, Corporate and Venture</i> | <i>Land Use and Real Estate</i> | <i>Civil Litigation and Trials</i> |
| <i>Mediations and Arbitrations</i> | <i>Employment</i> | <i>Mergers and Acquisitions</i> |
| <i>Estate Planning</i> | <i>Tax Planning and Positioning</i> | |

Joy E. Margolis

Joy Margolis' law practice is concentrated in the business arena on industries ranging from construction to software and the internet, with an emphasis on corporate and limited liability company formation, growth and maintenance.

She enjoys representing small business owners and start-ups as well as assisting venture financing partners with their legal needs involving contracts, employment, intellectual property, and regulatory filings. Joy guides clients with their exit strategies, whether it be via estate and tax planning or stock sale, merger, or acquisition.

David W. Smith

David Smith is an attorney at the Buynak Law Firm, specializes in business, corporate, real estate, environmental and land use law. His clients include corporations, limited liability companies, partnerships, individuals, associations, trusts, and non-profit organizations. Mr. Smith has litigated cases before the California Court of Appeals, California Superior Court and United States District Courts. His business and litigation background provides significant advantages in developing and implementing business strategies, negotiations and dispute resolution. As a trusted advisor,

Our clients' businesses are our business; we strive to understand each client's business to be able to legally represent them well.

Building upon excellent client service and legal experience, our practice focuses upon strategic legal and business leadership as well as client alliances.
